KLEUREN

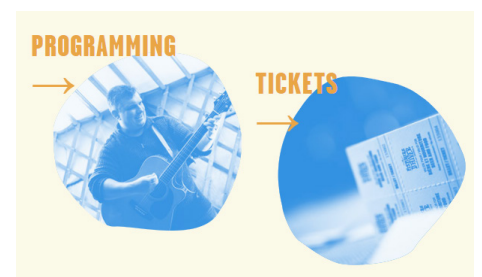

Voor de kleuren baseerde ik me op het logo van het Caribana festival. Met Adobe color CC paste ik deze aan de kleur uit mijn opdracht aan.

Ticketing

We would almost forget that Patrick Bruel started his career as an actor before embarking on a music career in the early '90s. It must be said that with inescapable hits like "Casser la voix", "Au café" and "Mille milliards" and "Mille milliards de francs" (1990), he is a true legend.
